PRODUCT GUIDE

Welcome to Ceramic Passion

Ceramic Passion is a young brand of Ceramiche Bianconi Pietro Srl, designed to collaborate directly with the Ceramic Painting Studio. In this catalogue an extensive addition of new ceramic products, and tools we selected for our customers.

A **family business**, our company has 40 years of experience and expertise. We're proud to receive in 2014 the award as **"Potter of the Year"**. Pietro Bianconi, owner at Ceramic Passion, learned the craft at a very young age and has shared this passion and creativity with her wife for many years.

We have a wide variety in our line, from tableware to decorative pieces, all produced to the **highest quality standards**. This together with our attentive and personalized service has made us a leader in ceramic bisque production.

Ceramic Passion has been created in order to offer a complete service to Studios, for this reason in the last years we are strengthening our presence in few European countries with new depots.

It would be our pleasure to welcome you for a visit to our factory.

If you don't find the exact product you're looking for in the catalogue, we're happy to **create a custom design** to your needs.
